Hollywood, FL 33114

## Referral Letter

My moving experience with Nationwide Van Lines, Inc. has been:

Wonderful! Sergio has been very polite & helpful - accommodated my schedule and moving respect to my family and things. Rob is very nice and I both Sergio and Rob worked hard and very efficiently. It has been a good experience. Hopefully all my representatives will continue intact. I believe they will.

Feel free to call me about my move. Y/N
