Please tell us about your overall experience during your relocation with us.

We were so pleased to work with Rachel over the phone. She was a true indicator of how Nationwide operates. She was informative, friendly and most importantly really great at responding quickly! Now to the day of the move... Ruby is amazing! And so was his team members, Allen and Robert. Ruby is a great communicator and made us all feel very relaxed and at ease. Tough to do on a move! I would happily serve as a reference for Nationwide for Ruby's team. I cannot say enough about him. Nationwide should be grateful to have someone represent your company like Ruby does! He and his team deserve a raise!!

How would you rate our services ?

We greatly appreciate you taking the time to comment on your overall experience with Nationwide Van Lines, Inc. Thank you!
