Referral Letter

My moving experience with Nationwide Van Lines, Inc. has been:

The moves were on time and courteous.
They moved the boxes efficiently and in a
timely manner. They packed out a damaged wedding
during the move and said the repair would be taken
off the final price upon presentation of a receipt & reimbursed
at a later date. I would recommend these moves to
other persons. The office staff was efficient as well.

Feel free to call me about my move ☒ Y ☐ N
