PACKED into VAN

My moving experience with Nationwide Van Lines, Inc. has been
Excellent - such care - such cleanliness. Both so energetic. Knew how to take apart + then a month later put it all right back together without problems. I can't say enough good about them. I've moved 5 other times and this was my best move ever. Just be sure to have water for them because they work non stopping. Who ever gets these two will be very glad!
