

Pick up Reference Letter

Case number: 124914

Driver's names: IZUKA REBEKA Date: 1-17/08

In office sales representative: L. L. L.

Please tell us about your experience with your sales representative and your movers!

I was extremely pleased with the movers.
Not only were they very professional, but they went
the extra mile to make a bad situation good. I
wish I had employees as good as both of
them.

We greatly appreciate you taking the time to comment on your overall experience with Worldwide Moving Systems, Inc. Thank You!

Feel free to call me about my move V/N
