My experience with worldwide moving systems inc. has been:

Excellent! They were professional, friendly, knowledgeable, had good suggestions for our packing, combined items in boxes, & negotiated to keep our costs reasonable. They also operated quickly & efficiently. Besides all of that, they were careful & did a good job. We were happy also to learn that we had things that we could pack & ship that we didn't know we could. All in all we were very happy with the service & would use you again.

Feel free to call me about my move. YIN
