

Good morning Luke, I just wanted to thank you for your help with my move to Massachusetts. Everything was described to me very well and there were no surprises. My experiences with movers in the past has not been positive and so I was very sceptical this time around, but you and your team were very professional and straightforward, which I appreciated so much! Also, the gentlemen that came to my home were great. Can you please my compliments share with their managers? Luis and his partner were very careful with my things and always professional and courteous. Luis was also very clear in his descriptions of additional charges (that I expected). They came on time at both sites. Excellent service! Thanks again, Deana
