5450 S. State Rd. 7 #89

Hollywood, FL 33314

Referral Letter

My moving experience with Nationwide Van Lines, Inc. has been:

Excellent, Sergio did a great job with all my boxes & furniture to this point and I am just looking forward to receiving my stuff in California. He was great to work with and I wish he was taking my stuff all the way but he did great with everything on his end.

Feel free to call me about my move Y N
