Please tell us about your overall experience during your relocation with us.
The movers did an excellent job. Very professional, friendly and diligent. Felt comfortable with our belongings in their hands - no concerns about anything breaking. Excellent management by ~~the staff~~ - very organized and provided detailed directions to the staff. Also, Alana was very professional and patient in scheduling the pickup and delivery despite the short notice and the fact that it was a holiday weekend. All around, a very positive experience and I would definitely recommend Nationwide.
