A word of thanks to your company. I called on Tuesday 8/9 for a move from L.I. NY to Raleigh, NC on Saturday 8/13. I never thought that it could be done, but your company came through with flying colors. My job is done, and Josef and Ruby were excellent. They were courteous and professional. They provided service with a smile. Employees like that are hard to come by.  
Thank you, Sal Noto

I will call when I am ready to move from my apartment to a house.
