

Pick up Reference Letter

Case number: 122372

Driver's names: Candy Date: 9/17/08

In office sales representative: Luke

Please tell us about your experience with your sales representative and your movers!

I'm very pleased. They were courteous,
working hard, wrapping my items,
& speedy too. I would recommend
these fellows and this company.

We greatly appreciate you taking the time to comment on your overall experience with Worldwide Moving Systems, Inc. Thank You!

Feel free to call me about my moveSIN
