Please tell us about your overall experience during your relocation with us.

all three men performed in an excellent manner. Arrived previously evening before actual day of packing, etc. Completed everything in early morning (1st) allowing me to make flight home to NS for closing in morning of 1/26/12. They were very careful packing and handling furniture, glass tops to tables and expensive ART work. I appreciate everyone's cooperation from Sales people & Movers @ Nationwide. Thank you.
