5450 S. State Rd. 7 #39

Hollywood, FL 33314

Referral Letter

My moving experience with Nationwide Van Lines, Inc. has been:

A good experience so far. The men who packed up my furniture and boxes were professional and nice. They did their job in a timely and efficient manner. I will use the company again based on my experiences today. I hope the delivery goes as well as the pickup.

Feel free to call me about my move ☒ V/N
