Driver's names: Jordan Gabriel Date: 6/2/08

In office sales representative: Reba!

Please tell us about your experience with your sales representative and your movers!

The movers were very nice. It was just a little frustrating because the truck broke down, however, Jordan did an exceptional job of explaining the policies of the moving company.

A handwritten signature in black ink, appearing to read "John", is written to the right of the feedback text.

We greatly appreciate you taking the time to comment on your overall experience with Worldwide Moving Systems, Inc. Thank You!

Feel free to call me about my move Y/N
