REFERRAL LETTER

Case number: 96902

Driver's names: JORDAN Date: 2/15/07

In office relocation consultant: Julianne

My experience with Worldwide Moving Systems Inc. has been:
very smooth. Jordan (the driver) and his associate arrived on
time and took the time to assess what needed to be done.
He took the time to properly and carefully package and pad all
the materials and furniture, suggesting the best possible methods.
He was very pleasant and considerate. After thorough research,
Worldwide provided competitive pricing while still maintaining a
professional procedure. Highly recommended.
