REFERRAL LETTER

Case number: 45605

Driver's names: ALON Date: 12-2-06

My experience with worldwide moving systems inc. has been:

The two young men who came to do the move for my parents - were wonderful. They took their time to explain the whole process & go over the paperwork & were patient with my parents & answered all their questions. They took extra care with all the things that were special to my mom. They wrapped & boxed everything so all the contents (of the Boxes) would travel safely without breaking. I certainly hope the rest of your crew are as good. they are a great asset to your company.
