My experience with Worldwide Moving Systems Inc. has been:

The movers who came today were exceptional!
They worked very very hard and
took great care with our items. They were helpful
and very nice to work with. They look friendly &
trustworthy. I started the day frustrated because I
was under the impression the drivers would be the same
all the way to NY, but Ron & Tamir were knowledgeable
and made it an enjoyable day. I felt like they really cared

Feel free to call me about my move about our move.
